

The Chris Stocks Fund **Award Application Form**

Up to £2,000

**Supporting the development of tomorrow's tradespeople
in Irlam and Cadishead**

The Chris Stocks Fund provides small value grants to support young people to develop their skills and benefit their future employability.

The fund targets people developing 'hands on' practical skills in fields such as plumbing, electrical, machine shop, painting, agriculture etc.

Funding can be provided to support the purchase of safety clothing, tools, equipment, travel and training costs, as well as other practical items and costs associated with pursuing a 'hands on' career.

Application for Funding Support

Hamilton Davies Trust (HDT) welcomes applications from individuals based in the areas of Irlam and Cadishead who are looking to develop their skills in a hands on trade and can demonstrate genuine ability, drive and enthusiasm.

Your application must be endorsed by your school, college or local employer before submission to us.

If you wish to speak to someone to obtain support in completing your application or would like a chat before you apply, please speak to your school / college tutor.

We may contact you to discuss your application and gain further information before any decision is made.
